## New Management Information System: Next Steps

*Thank you to everyone for learning and engaging with the new system - you have been fantastic!  
Below are a few next steps to check:*

***Notices for consent***

We have updated some of the requirements for your consent e.g. First Aid. When in Arbor there is a notices pane on the left with arrows for you to complete these.

**Allergies and Medical Conditions please complete so all information is up to date.**

Please click on the View Student Profile button (Bright Green). The notices are also in here but if you scroll down we need parents to make sure they have **filled in any allergies or medical conditions in the medical section.** This is where you can also keep us updated with any changes.

### Meals

Please remember to keep booking meals in advance this really cuts down on lost learning time. If your child always has sandwiches or always has sandwiches on certain days confirm this in an email to Mrs Meredith and she can set it as a pattern.

### Wrap Around and Nursery paid sessions

**Please remember to book the wrap around sessions in advance. We have some parents/children turning up without booking and if we are full we may have to turn people away due to staffing ratios.**

Below is a reminder about how to book wrap around sessions and further information that came out yesterday for parents who have funding arrangements (vouchers; funded childcare). Our terms and conditions are also updated and on our website.

#### Wrap Around Care

Here is the Help support article: <https://support.arbor-education.com/hc/en-us/articles/360008179494-Signing-my-child-up-for-a-Club-on-the-Parent-Portal-or-Arbor-App>

- From September these are now booked through Arbor and are within the **clubs** link in Quick Actions
- Click on the club you want (booking cut off is at midnight for breakfast club/early start and 2.45pm for after school club)
- Register for the club – the system includes a membership option which allows you to decide to book:
  - o a one off daily session – great for irregular **patterns** – all the dates in the year come up!
  - o a weekly set – great if you book every day of the **week**
  - o a monthly set – great if you need every day of the **month**
  - o a termly **set** – great if you book every day of the term.
- Please note that this service does not allow you to book unless you have money on the account.
  - o Children eligible for benefit related free school meals are charged with a 50% discount.
  - o If you are booking more than one **child** please book both children and inform us so we can apply a sibling refund (we will aim to do this asap).
  - o If you use vouchers or **15/30 hour** funding for payment we will apply these to accounts over the summer and every time funding is agreed/comes into account (please do not worry about missing bookings as there is currently enough space in the system).

The screenshot shows the 'Quick Actions' menu at the top, with 'clubs' highlighted. Below it is the 'Club Overview' page for the 'Breakfast Club'. The page includes a description: 'Before school club with breakfast provided'. It lists the club price per session for each day of the week: Monday (£1.50 for 08:00-08:40 session interval), Tuesday (£1.50 for 08:00-08:40 session interval), Wednesday (£1.50 for 08:00-08:40 session interval), Thursday (£1.50 for 08:00-08:40 session interval), and Friday (£1.50 for 08:00-08:40 session interval). Below the overview is the 'Choose Membership' section, which has a dropdown menu set to 'Termly breakfast club booking'. There are 'Cancel' and 'Next >' buttons at the bottom right of the form.

Payment arrangements for Wrap Around when using vouchers (tax free childcare, college childcare funding etc.)

If you require wrap around provision, please proceed and book (the system will now allow you to do this and this will show as a debt). SGET finance team will credit your Arbor account when the voucher is received within our bank account (this is regularly checked throughout the month). **Any outstanding balances (ie over and above any voucher funding) are expected to be cleared on a monthly basis.** Please note that if balances aren't cleared this would affect your ability to book and use the service in subsequent months.

Payment arrangements for Nursery parents who are also using Wrap Around (or extended Nursery hours)

The Nursery termly Parent Declaration Form sets your pattern of use and funding for the term. The office will apply the nursery pattern to the nursery class register. If Nursery 2 (preschool year) parents are using wrap around hours, they will need to book these in advance on Arbor. The cost of any hours above the funded hours (either in the Nursery sessions or in wraparound) will be applied, by the finance team, to that area of Arbor as an invoice for the term (ie Nursery hours or wrap around hours). **Parents are expected to pay off amounts owing over the term.** Please note that if balances aren't cleared this would affect your ability to book and use this additional service in future. Any ad hoc sessions outside of the set termly pattern will need to be emailed to the school office for consideration.

#### Cancellations

Please note that if people book services but don't turn up they will be charged.

Wraparound: We require 72 hours notice of cancellation in wrap around so that places can be offered and booked by others. Cancellations need to be emailed directly to the school office who will apply refunds if the 72 hours notice period has been met. Exceptional circumstances will be considered at the discretion of the headteacher.

Top tip to paying onto different account areas.

When you are topping up different account areas (wrap around; nursery; meals; trips etc) we recommend putting the top ups into the basket and then paying for them in one go (rather than individually).

#### Sibling Discount

The sibling discount will be applied, as a credit, the day after children have attended the service that parents have booked. Apologies this cannot be done at the time of booking.

## Reading: Why is it important to read regularly?

---

*Giving children the skills to read (mechanics) and inspiring pupils to enjoy and love reading is the single most important thing we can all, collectively, be doing that has huge, long lasting benefits for our children.*

*This is why children come home with two reading books: one which they can read (which practises the mechanics) and one which is for sharing and enjoyment. Both are really important. We expect children to be reading at home at least 4 times a week (little and often has the most impact - it doesn't matter which book or if it is another at home). Classes will continue to track this and celebrate in the school news and with an additional playtime if the whole team achieves it. Where children aren't doing this crucial regular practice we will use time slots in school (breaktime and lunchtime) to support this vital part of their development.*

*We are continually supporting reading in school with reading for enjoyment everyday, guided reading and daily phonics in younger classes. We are now also adding weekly class book clubs to help enthuse children about the books they could be reading for enjoyment. We hope to be sharing class top tens with you very soon. Book vouchers funded by FOSPS are going to be used slightly differently as each term classes are going to see the book voucher money as their book budget to spend for the term in order to buy appealing texts for them to enjoy - like their very own bookshop!*

---

Parents who engage their children in books prepare them to become committed, enthusiastic readers.

....

Book related talk introduces children to language they might not hear in ordinary conversation.....

Research looking at the impact of parents reading with their children by 5 years old. Number of words encountered:

- Never read to: 4662 words
- 1 – 2 times a week: 63,570 words
- 3 – 5 times a week: 169,520 words
- Daily: 296,660 words
- 5 books a day: 1,483,300 words!

## Our Worship/Reflections this week:

Monday: We reflected on why we have our daily assemblies and why they are important. We talked about time to reflect or pray (a choice) as a time to have quiet and calm to reflect on what we have discussed, what is important to us, or talk to God.

### Why do we have assemblies?

- Come together as a community – unity and belonging
- Reflect and discuss together
- Exploring ideas
- Agreeing how we want to be and what's important
- Considering ideas and opinions; learning about God, God's advice and talking to God
- Celebrating and correcting

Tuesday: We revisited our No Outsiders theme by considering how everyone should be able to choose their hobbies without judgement - examples of girls choosing football and the success of the England football team over the summer were considered.

# No Outsiders

Everyone different,  
everyone welcome.

Wednesday: Open the book returned and we enjoyed and reflected on the first story/poem in the Bible about creation.

Thursday: We launched our PSHE theme: 'Being me in my world'. Children reflected on gratitude; being grateful for the things we have and not taking them for granted.

I am  
grateful

## Reception news

	<p><b>Talk for Writing: Elmer</b></p> <p>We have started our talk for writing text Elmer by David McKee. Elmer is different. Elmer is patchwork. The grey elephants all love him, but Elmer soon starts to wonder what it would be like to be just the same as them... Elmer's subtle message in this text is that it is OK to be different.</p> <p>The children have enjoyed creating a story map together and adding actions to help us retell the story.</p>

<p><b>RBA Assessment Information</b></p> <p>This week your child will have started the reception baseline assessment (RBA). The purpose of the assessment is to provide the starting point for a progress measure that will help parents understand how well schools support their pupils to progress between reception and year 6. The RBA is not about judging or labelling your child or putting them under any pressure. Your child cannot 'pass' or 'fail' the assessment. Its main purpose is to create a starting point to measure the progress schools make with their pupils.</p> <p><b>More information about RBA can be found at this link<sup>[1]</sup>.</b></p>

## Shropshire Family Information Service

Hello from the **Family Information Service** (FIS for short).  
Our job is to give you the info and resources you need to help your family life run a little smoother. We can help with:

- Childcare - finding it and advice on paying for it
- Local baby and toddler groups
- Events, clubs, activities, and fun things to do in the school holidays, for all ages
- Getting parenting and family support
- Finding health and wellbeing support

We cover everything and anything to do with family life, so if you have a question, chances are we'll be able to help, or if we can't, we'll point you in the direction of someone who can.
