London Residential 2026

Parents of children in Year 4 and Year 5 will have received a letter today regarding the London 2026 residential trip, which will take place from the 9th to the 12th June 2026.

This trip is a fantastic opportunity which those children who have taken part previously have thoroughly enjoy.

Although it seems a long way off, to enable us to secure accommodation we need to pay a deposit by the 6th March 2025 to the YHA at Cheshunt.

We would be grateful if parents would pay the deposit requested via Arbor please.

IMPORTANT INFORMATION REGARDING NURSERY FUNDING

FREE Childcare explained					
	9-23 Months old		2 Years old		3-4 Years old
Working families	15 Hours Sept 2024	30 Hours Sept 2025	15 Hours Apr 2024	30 Hours Sept 2025	30 Hours Now
Families receiving additional government support	N/A		15 Hours Now		N/A
All parents	N/A		N/A		15 Hours Now

It is really important to complete funding forms well ahead of deadlines. If deadlines are not met then funding will not be available and sessions will need to be paid for.

For many years the local authority have manually overridden late eligibility codes to enable providers to continue claiming expanded / extended hours funding for families who have missed the deadline for applying / renewing their code in time for a particular term.

The number of late codes that they have been asked to override has increased every term.

Following recent consultation with the DfE, this isn't something that the local authority are allowed to do. From the start of the Summer Term 2025 they will not be in a position to override late codes.

Therefore please ensure you keep an eye on your code expiry date and renew on time. The earliest you will be able to renew is 4 weeks before the end date of your code.

SGN Holiday Club - February Half Term

Stottesdon Gateway Nursery (SGN) will be open on the following dates during half term:

Monday 17th February - Baking bread

Tuesday 18th February - Tye Dye (**would children please bring a plain white t-shirt**)

Wednesday 19th February - Bike and scooter club

Sessions: 8am to 5.30pm Monday / Tuesday (8am to 3.15pm on Wednesday)

Unfortunately, due to the lack of bookings, we are unable to run on Thursday 20th February - apologies for any inconvenience this may cause.

For those pupils currently attending our school / nursery all bookings to be made via Arbor, children not attending our setting will need to complete the attached booking form.

NSPCC's Online Safety

The NSPCC's new Keeping Children Safe Online workshop provides parents and carers with information about how to support their child in their online world. The 40 minute pre-recorded presentation covers topics such as online bullying, mental health, and social media, as well as signposting to resources and organisations for help and support. Celebrating Reading

Reading

Reading with children is one of the most powerful gift parents can give. The development of language, creativity and cultural understanding from reading, discussing and sharing is HUGE so if you are giving this gift thank you for helping to keep this powerful, essential activity 'alive'. Reading is also very powerful as it reduces stress (for the child and the adult!).

Our Worship / Reflections this week:

Monday: We enjoyed the story of the selfish crocodile and considered how courageous the mouse was to help but also how brave the crocodile was to change how he was choosing to be (like the story of Zacchaeus).

Tuesday: As part of safer internet day we focused on using the internet wisely and considering scams - sometimes things are too good to be true and people are trying to trick us. Children revisited how to stay safe.

Getting Help

NSPCC

childline

ONLINE, ON THE PHONE, ANYTIME

Wednesday: We enjoyed the story of Sophie who was having a tough day (missed the bus, forgot her homework, missed playing with her friends) and how we can 'build' our friends back up with encouragement when things don't quite go to plan.

Thursday: Children carried on thinking about Safer Internet Day in their age groups. This also included thinking about taking appropriate pictures and not sharing inappropriate pictures e.g. when we are undressed.

Rea Class News

Rea Phonics

Year 1 – This week, we have been assessing our phonics for this term, and evaluating reading books for next half term.

Year 2 have been assessing our spellings from this term, including words with sounds kn, gn, wr; when to double the last letter before adding a suffix; when to drop the letter e before adding a suffix and when to use dge and ge for the j sound..

Homework

- Reading Homework is to listen to your child read at least four times over the week. Please remember to write it in reading records.
- Numbots or teach your monster number skills for 15 minutes throughout the week. This really helps with automaticity of recall of number facts.

Maths

In maths this week, we have been:

Year one – Mastering Number

- How even numbers are made up of two odd or two even numbers.

Year two – Mastering number

- An in depth look at bridging ten when subtracting.

Addition, triangles and quadrilaterals

Year 1

Adding and subtracting multiples of two.

Year 2

Jumping to the next and previous decade using bonds to ten.

eg $4 + 6 = 10$ so $44 + 6 = 50$.

Both year groups have been sorting

Rea Class Trip to Thinktank, Birmingham

thinktank
Birmingham science museum

On Monday 31st March 2025, children in Rea Class will be visiting Thinktank, Birmingham.

During their visit they will take part in two workshops:

- Destination Space, One Big Journey Show
- Night Dome Show

They will also be able to experience different zones of the museum (including Mini Brum) during the day.

We are asking for a voluntary contribution of £ 23.70 per pupil (those pupils eligible for benefit related free school meals are 50% less) to cover the cost of transport and entry.

Once again we are very grateful to FoSPS for funding half of the transport costs.

Children will need a packed lunch (if you have not ordered one through the school), a waterproof coat and a water bottle.

NB: Would parents please arrange for their child to be in school for 8.30am as we would like them on the bus ready to depart at 8.45am prompt.

Corve Class 'mini' hockey tournament

In our PE session this week, Corve had a 'mini' hockey tournament. Each house played 2 games each, where we were able to practice the skills we had acquired over the term. There was also great team spirit both on and off the pitch – well done to you all!

The placings were as follows:

- 1st Place: Shetland
- 2nd Place: Shire
- 3rd Place: Dartmoor
- 4th Place Highland

'The Parable Keeper' Musical

Mr Mark Greaves from Cleobury Community Hub has very kindly organised a performance by the 4Front Theatre Company at St. Mary's Church, Cleobury Mortimer on Monday 10th March 2025.

Children from Corve and Severn Class will be attending the performance of 'The Parable Keeper'.

The 4Front Theatre Company are a Christian based professional theatre company that bring stories from the bible to life through acting, song and audience participation.

The Parable Keeper

The Parabularium is home to all sorts of antiques, curiosities and oddities, and that's just the staff! Yet for the shop's enigmatic owner: the Parable Keeper, there is no greater treasure than a well-told story.

This 1 hour musical extravaganza explores many of the parables of Jesus, bringing them to life like never before through energetic songs, interactive storytelling and lots of laughs. Suitable for all ages!

The cost of the performance and hire of St Mary's Church will be completely covered by Cleobury Community Hub, for which we are extremely grateful.

We would also like to extend our thanks to FoSPS for covering the cost of the transport for this trip.

Families can access advice and support up until the age of 5 years old by calling **The Single Point of Access on 0333 358 3654.**

If parents don't want to talk to someone, they can send a text and one of the team will get back to them on **07520 635212**

This referral can be completed through the single point of access and sent to the appropriate team.

If it is specialised targeted work the family will be seen by a Health visitor for example low mood or complex development issues, safeguarding or specialised referrals.

All children are seen universally at one years and at two years and they are offered a full health growth and development review via a letter with an appointment.

Growing Acts of Kindness

Children will be selected each week (up to one per year group) for acts of kindness.

Growing Acts Of Kindness

This is our kindness tree.

It is our symbol to celebrate acts of kindness in our school.
Each week adults will nominate people across the school for acts of kindness.

These acts can be anything from picking up a coat to inviting someone to play your game.

Nominated people will be announced in achievers.

Nominated people will pop their name on a leaf and attach it to our kindness tree.

Help us grow kindness 😊

Help our school be full of kind acts 😊

Thank you to our Chair of Governors for donating our tree.
