

## EYFS Reception Week 1 - Summer 2 - Home Learning Rainbow Challenges

### Coin Roll - Fine Motor Skills

Using a variety of coins, challenge your child to roll the coins on their end. How far can they roll the coins? Which coin rolls the farthest? Bigger or smaller coins?

If coins are too challenging, try a range of lids or tapes instead. You could extend this game further by giving your child a target to aim for, such as a line of tape or circle of paper on the floor.

i can cook

Help your family cook by following simple recipes. Bake a cake or some biscuits. Talk about what you are doing and write a list of ingredients and a list of instructions of what you did.

Log on to [PhonicsPlay.co.uk](https://new.phonicsplay.co.uk) and play <https://new.phonicsplay.co.uk/resources/phase/3/dragons-den>

Username: march20 Password: home  
Challenge yourself to try Phase 3 sets 1-7 plus vowel digraphs activities.

### Reading Challenge

Put the words in the right order to make a sentence

<https://www.oxfordowl.co.uk/api/in-teractives/24635.html>

what's in the storytelling tin? Victoria Mason

What you need:

- An empty tin/box/ container.
- Gather loose parts or small world toys - create a theme to make a story.

- Before opening the container - What do you think will be inside? What story do you think we could make today?
- Open the lid and invite children to look at the objects.
- What story could we make up with these objects?
- Who will be the character? Where is the story set? What will they do? Will something happen? How will the problem be solved? How will you story end?
- Think about how the character will talk? How will they move? What sounds may you hear in the setting?
- Have fun creating different stories - adapt and change them. You could do this task on a different day with added new objects that change the theme or story line. Extension idea: You might like to film your children playing, so they can watch back the story they have created.

### Phonics Lesson Videos

#### Lesson 1

#### raDt8

#### Lesson 3

<https://www.youtube.com/watch?v=7anrdHn>

#### wGbs

MEASURING TAPE...an easy way to do some numbers. Get out a retractable measuring tape and let them measure everything. Make a little clipboard and pencil to record what the measurements are. So some predictions. A nice easy five minute maths lesson. #fiveminutemum

Listen to the song

[https://www.youtube.com/watch?time\\_continue=10&v=GAVCHH6ZO2s&feature=emb\\_logo](https://www.youtube.com/watch?time_continue=10&v=GAVCHH6ZO2s&feature=emb_logo)

Rehearse using the lyrics sheet for a couple of days.

Check out today's tasks on your child's portfolio on Class Dojo along with our phonic videos that have been uploaded.

### PE Activity

Mrs. Martin has been running this week.

Can you run for 5 minutes everyday around your garden or on your daily exercise?

Log in to your Purple Mash account to access your ICT learning tasks.
