History Benin	Geography The Galápagos Islands	Science Evolution	German Days, months and time	Design and Technology Scales of production

Maths

Year 5: this term we will be re-visiting areas of maths, to help us consolidate our knowledge, ready for our return to school. I would like you to complete a **skills test**, which we normally use in class, I suggest at least 1 column a day. You do not need to print it off. You can write the answers in your home learning book.

I have also included a White Rose worksheet: decimals

All worksheets and answers will be on our website and attached to Purplemash emails.

I have put on these links below for anyone who wishes to use them. However, I would like the skills test completed first, along with the White Rose worksheet.

The national academy also has daily maths lessons:

Year 5:

<https://www.thenational.academy/online-classroom/year-5#schedule>

I will no longer set Mathematics daily, so that you will be able to access all areas.

Year 6:

<https://classroom.thenational.academy/subjects-by-year/year-6/subjects/maths/>

There are lots of lessons available for you to choose from if you would like to revisit an area of maths ready for secondary school.

English

Follow these lessons each day - they also include reading comprehension.
(Week 10)

Year 5: newspaper report

<https://www.thenational.academy/online-classroom/year-5#schedule>

Year 6: poetry

<https://www.thenational.academy/online-classroom/year-6#schedule>

You can also use Pobble365 if you would like to write a story based on a picture

- Word of the day

Science

Evolution (from Wednesday) BBC online lesson

<https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons>

Record what you have learnt.

Click on link and scroll down to Science year5/6 link and click on **Evolution**. You will have a series of small PowerPoints and quizzes.

<https://app.senecalearning.com/courses?Price=Free&Age+Group=Primary>

Try an experiment from home:

<https://www.weareteachers.com/easy-science-experiments/>

Adult supervision will be required for some of the experiments!

Geography

The Galápagos Islands from the BBC online lessons (from Tuesday):

<https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons>

History: Medieval Monarchs

<https://www.thenational.academy/online-classroom/year-5/foundation#subjects>

Following on from last week, we are now on lesson 7. This is suitable for year 5 and 6.

Try the BBC online lessons: **Benin**

<https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons>

Art

Henri Matisse and collage. Create your own collage.

<https://classroom.thenational.academy/lessons/juan-miro-and-automatic-drawing/>

R.E. Continue from last week

Ethics. Have a look at this video <https://www.youtube.com/watch?v=wkkBR-W4XA8>.

What does terraforming mean? What are the issues (positive and negative) of doing this? Present the issues in a format of your choice. In class we used 2 connect (you can see some in the Severn class folder).

P.E.

Complete the daily Joe Wicks (The Body Coach) PE lesson.

Visit his YouTube channel here:

<https://www.youtube.com/user/thebodycoach1/videos>

PE-OPOLY -children have been enjoying playing this in school for about ½ hour at a time (except when you keep landing on the same thing!)

Other subjects:

I will continue to add spelling quizzes on Purplemash.

French – try the duolingo website and continue with Mrs King’s activities.

Coding set on Purplemash or free access on Scratch.
