Arts Week Musical performance	Arts Week Artists and art	Arts Week Drama and theatre	Arts Week Singing and wellbeing	Arts Week Ten pieces takeover

Maths

Year 5: this term we will be re-visiting areas of maths, to help us consolidate our knowledge, ready for our return to school. I would like you to complete a **skills test**, which we normally use in class, I suggest at least 1 column a day. You do not need to print it off. You can write the answers in your home learning book.

I have also included a White Rose worksheet: dividing and multiplying.

All worksheets and answers will be on our website and attached to Purplemash emails.

I have put on these links below for anyone who wishes to use them. However, I would like the skills test completed first, along with the White Rose worksheet.

The national academy also has daily maths lessons:

Year 5:

<https://www.thenational.academy/online-classroom/year-5#schedule>

Year 6:

<https://classroom.thenational.academy/subjects-by-year/year-6/subjects/maths/>

There are lots of lessons available for you to choose from if you would like to revisit an area of maths ready for secondary school.

English

Follow these lessons each day - they also include reading comprehension.
(Week 11)

Year 5: short story

<https://www.thenational.academy/online-classroom/year-5#schedule>

Year 6: biography

<https://www.thenational.academy/online-classroom/year-6#schedule>

You can also use Pobble365 if you would like to write a story based on a picture

- Word of the day

Science

Oak academy - 4 lessons on electricity to explore and record your knowledge:

<https://classroom.thenational.academy/subjects-by-year/year-5/subjects/foundation>

Click on link and scroll down to Science year5/6 link and click on **Electricity**. You will have a series of small PowerPoints and quizzes.

<https://app.senecalearning.com/classroom/course/16b247b6-777c-44ee-8359-1c94f66e6419/section/daf12a8c-b86a-4931-aaf5-dee973030116/session>

Try an experiment from home:

<https://www.weareteachers.com/easy-science-experiments/>

Adult supervision will be required for some of the experiments!

History: Medieval Monarchs

<https://www.thenational.academy/online-classroom/year-5/foundation#subjects>

Following on from last week, we are now on lesson 8. This is suitable for year 5 and 6.

Geography

Energy and sustainability

<https://classroom.thenational.academy/subjects-by-year/year-5/subjects/foundation#subjects>

There are 4 lessons – at the end of the lessons record all the information you have learnt. This can be done as a ppt or poster or however you prefer.

Art

The BBC have a special art week online:

<https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons>

There will be a lesson available every day.

P.E.

Complete the daily Joe Wicks (The Body Coach) PE lesson.

Visit his YouTube channel here:

<https://www.youtube.com/user/thebodycoach1/videos>

PE-OPOLY -children have been enjoying playing this in school for about ½ hour at a time (except when you keep landing on the same thing!)

Other subjects:

I will continue to add spelling quizzes on Purplemash.

French – try the duolingo website and continue with Mrs King's activities.

Coding set on Purplemash or free access on Scratch.
