Science Challenge Electrifying electricity	Sports UK Coaching	Sports TBC	Dance and Music Alice's Adventures in Wonderland The Mad Hatter's Tea Party - Riddles and Rhymes	Cooking Make Indian-style snacks

Maths

Year 5: this term we will be re-visiting areas of maths, to help us consolidate our knowledge, ready for our return to school. I would like you to complete a **skills test**, which we normally use in class, I suggest at least 1 column a day. You do not need to print it off. You can write the answers in your home learning book.

I have also included a White Rose worksheet: timetables

All worksheets and answers will be on our website and attached to Purplemash emails.

I have put on these links below for anyone who wishes to use them. However, I would like the skills test completed first, along with the White Rose worksheet.

The national academy also has daily maths lessons:

Year 5:

<https://www.thenational.academy/online-classroom/year-5#schedule>

Year 6:

<https://classroom.thenational.academy/subjects-by-year/year-6/subjects/maths/>

There are lots of lessons available for you to choose from if you would like to revisit an area of maths ready for secondary school.

English

BBC online lessons: Romeo and Juliet

<https://www.bbc.co.uk/bitesize/articles/zjkg9g>

You can also use Pobble365 if you would like to write a story based on a picture

Science

Oak academy - 4 lessons on electricity to explore and record your knowledge:

<https://classroom.thenational.academy/subjects-by-year/year-5/subjects/foundation>

History: Who were the Vikings?

Follow the BBC online lesson

<https://www.bbc.co.uk/bitesize/articles/zvhtwnb>

Geography/Science

The Rock Cycle: <https://classroom.thenational.academy/subjects-by-year/year-5/subjects/foundation>

Oak academy - 4 lessons on electricity to explore and record your knowledge.

P.E.

PE-OPOLY -children have been enjoying playing this in school for about ½ hour at a time (except when you keep landing on the same thing!)

Water safety

Please look at the PowerPoint in the home learning folder. Mrs J. Jones normally does an assembly based on water safety before the summer holiday and would like you to have the information to help keep you safe.
