Summer Holiday Times Tables Challenge

Keep your maths skills sharp over the summer holidays with these multiplication and division fact challenge activities.

Track your progress and bring this booklet back to school after the holidays to receive your bronze, silver or gold certificate.

Ask an adult to check your answers or self-check using the multiplication square at the end of the booklet. For an added challenge, time how long it takes you. Can you beat your score and time as you progress?

Week 1 Multiplication Challenge	My score:
