

## Home Learning Overview **Week 3** Severn Class

Hello Severn class,

Thank you for all your home-learning. It was a pleasure to mark your books and see how hard you have all been working.

### Teams Meetings

Please continue to come to the Team's meetings as Mrs. King and I have found them useful to pass on information to you as well as answering your questions.

Please note that there will be no Team's meeting on Thursdays.

Work will continue to be set on Teams (Severn Class Resources) and in the home-learning packs. Only hand in your home-learning book as you will need to keep your ninja numeracy, maths skills test and English booklet (gadgets).

### **Maths**

Remember, if you find a maths lesson too difficult or you finish quickly, you can select an area or maths that you would like to revisit from the book instead/ as well.

**Ninja numeracy:** to be completed 4 x a week (see timetable). Remember that some of the questions in the 3<sup>rd</sup> column are aimed at KS3 – you know which ones these are from lessons in school.

**Monday** – Skills test (in pack and on Teams)

**Tuesday**- Arithmetic paper (in pack and on Teams)

### **Wednesday**

#### **Yr6**

Reflecting shapes - online lesson (see timetable link)  
(Worksheet in pack and added to Teams)

#### **Yr5**

Compare area and perimeter.  
online lesson (see timetable link)  
(worksheet in pack and on Teams)

**Thursday**

**Yr6**

Solving practical coordinate problems – online lessons and worksheet in pack.

**Yr5**

Area of non-rectilinear shapes online lessons and worksheet in pack.

**Friday:** Maths games in pack

**English:** Continue with the Talk for Writing booklet on gadgets. Remember to use the model text to support your writing.

Remember to use the toolkit, included in your booklet.

I would like you to follow the same structure as we do in school: 1st draft, editing for spelling and improvements and then neat copy.

I would like this finished this week and handed in on Friday. If you have time to do the radio version (activity 13) that would be great, but it is not essential. If you have completed all of these tasks go to

<https://www.pobble365.com/> and select a picture of your choice and write a story based on it.

**Comprehension:** see timetable - worksheet in pack

**Spellings:** these will be in your home-learning packs and set via Purplemash. You also have your yr5/6 spellings to secure, which can be found in your reading record. Remember to use your 'ways to learn spelling poster'.

**Reading:** please read for 30 minutes a day as this improves your comprehension and vocabulary. I would also like you to write a book review; I will attach a book review template to help you – you do not have to use it if you would prefer to do your own.

**Science: How to measure forces**

<https://classroom.thenational.academy/lessons/how-can-we-measure-the-size-of-forces-c4vkcr>

Please complete worksheet it is in your home-learning book and in Severn Resources.

**Music:**

Cup percussion in learning pack and in Severn Class resources

**French:** French from Mrs. King -Weather worksheet in pack

**P.E.** Joe Wicks workout

PE Challenge: throwing and fitness training – you could change the squats for high knees/star jumps etc.

[www.youtube.com/watch?v=BGWKdT60IHc](http://www.youtube.com/watch?v=BGWKdT60IHc)

**Art:** <https://www.accessart.org.uk/drawingsmall/>

Your challenge is to draw a collection of tiny objects –things which are roughly the size of a five/ten pence piece – things like small shells, pebbles, leaves, beads, screws. The website gives you instructions as well as a video to help.

**RE:** How do Christians mark special times on their calendar (information will come through Teams)

**History:** Maya

Continue to look at BBC bitesize. There are lots of clips to explore.

<https://www.bbc.co.uk/bitesize/articles/zvynm39>

You will need to select an area of interest to research and present as a double page spread.

Take care with spelling and presentation.

Thanks

Mrs. McKay
