Therefore, I have given you a few choices. Please let me know if you need anymore. These suggestions are for the whole week, not just Monday!</p> <p>Finish gadget writing and then you have 2 choices:</p> <p>https://www.pobble365.com/ and select a picture of your choice and write a story based on it. This is not a quick piece of work as you will need to think carefully about your story. You will need to plan, 1st copy, edit and neat copy- just like in class.</p> <p>2nd choice: Use the link below and follow the lessons to write a biography – don't do the spelling lessons as it will take too long. https://classroom.thenational.academy/units/inspirational-figures-biographical-writing-5739</p>	Enjoy!	<p>Maths</p> <p>Skills Test Check 4</p> <p>(sheet in home-learning book)</p>	Have fun!	<p>Reading: write a book review at the end of each book to collect your book token.</p>	<p>Science: What are contact forces?</p> <p>https://classroom.thenational.academy/lessons/what-are-contact-forces-74t3gc</p> <p>(worksheet in home-learning pack and in Severn Resources)</p>
