

## Home Learning Overview Week 6 Severn Class

22<sup>nd</sup> February 2021

Hello Severn class,

I hope you all had a good half term and managed to collect your home learning packs.

Remember to take care with your presentation and editing for all lessons. Please remember to stick your work in your book and do any corrections.

### Teams Meetings

Please note that some of the times of the Teams meetings have changed (they are on your timetable).

Please continue to come to the Team's meetings as Mrs. King and I, love to see you all and find these times useful to pass on information to you, as well as answering your questions and sharing your work.

Mrs. King will be in contact with some of you, to invite you to meetings for maths.

### **Maths**

When working on oak academy please put the date at the top of the page and write down any answers that you are asked during the lesson – not just the printed worksheets.

**Ninja numeracy:** to be completed 4 x a week (see timetable).

**Monday** – Skills test 6 (in pack and on Teams) please mark and do corrections.

**Tuesday**- Arithmetic paper 5 (in pack and on Teams) please mark and do corrections.

### **Wednesday**

Year 5

Yr5 Multiples and factors

<https://classroom.thenational.academy/lessons/multiples-and-factors-6gr32d>

Year 6

Multiple and divide

<https://classroom.thenational.academy/lessons/multiply-and-divide-by-10-100-and-1000-involving-decimals-64wk6r>

**Thursday:**

Yr5

Factor pairs

<https://classroom.thenational.academy/lessons/factor-pairs-61k3cd>

Yr6

Choose a topic/topics from your maths question book that you feel you need to practise.

Write the answers in the question book.

Please mark and do corrections. You don't need to hand this in as I would like you to keep this at home.

**English**

We are starting a new Talk for Writing Story – The Caravan – it is a warning story.

**Monday:** Read the story several times – this is very important.

Next, highlight key features – as you would in class. You can then magpie these ideas when writing your own. Remember, to look for sentence starters, similes, adjectives and sentence lengths.

**Tuesday:**

Use the box to help you plan your story – as you would in class.

**Wednesday:**

Success Criteria and plan each paragraph.

**Thursday:** continue with 1<sup>st</sup> draft.

**Spellings:** these will be in your home-learning packs and set via Purplemash. You also have your yr5/6 spellings to secure, which can be found in your reading record. Remember to use your 'ways to learn spelling poster'.

**Reading:** please read for 30 minutes a day as this improves your comprehension and vocabulary. I would also like you to write a book review; I will attach a book review template to help you – you do not have to use it if you would prefer to do your own.

**Comprehension:** in home learning pack – please mark and look at any questions that are incorrect.

**Science:**

**Which factors affect an objects ability to float?**

<https://classroom.thenational.academy/lessons/which-factors-affect-an-objects-ability-to-float-ccv3ac>

Please complete worksheet it is in your home-learning book and in Severn Resources or you may do a double page spread in your book with the facts and diagrams from the lesson.

**P.E.** Joe Wicks workout

**French:** Mrs.King

**Art:** taking inspiration from artists and crafts people.

**RE:** Mrs. Jones  
(information will come through Teams)

**Natural History site:**

<https://www.youtube.com/watch?v=4EnmiuKqBXI>

Continue with your journal and record your findings. Remember this is an on-going project.

Thanks

Mrs.McKay
