

## Home Learning Overview Week 7 Severn Class

1<sup>st</sup> March 2021

Hello Severn class,

Mrs. King and I are really looking forward to having everyone back in school next week and I know that the children currently in school are excited about seeing you all. When you return to school, please bring in all of your home-learning including your maths study guide and question books.

Remember to take care with your presentation and editing for all lessons. Please remember to stick your work in your book and do any corrections.

### Teams Meetings

Please note that some of the times of the Teams meetings have changed (they are on your timetable).

Please continue to come to the Team's meetings as Mrs. King and I, love to see you all and find these times useful to pass on information to you, as well as answering your questions and sharing your work.

#### **Maths**

##### **Oak academy:**

Please continue to put the date at the top of the page and write down any answers that you are asked during the lesson – not just the printed worksheets.

**Ninja numeracy:** to be completed 4 x a week (see timetable).

**Monday** – Skills test 7 (in pack and on Teams) please mark and do corrections.

**Tuesday**- Arithmetic paper 6 (in pack and on Teams) please mark and do corrections.

#### **Wednesday**

Year 5

Prime numbers

<https://classroom.thenational.academy/lessons/prime-numbers-65j38e>

Yr6

Practise multiplication and division

<https://classroom.thenational.academy/lessons/practise-multiplication-and-division-skills-64vp2e>

**Thursday:**

Yr5 Factor and multiple chains

<https://classroom.thenational.academy/lessons/factor-and-multiple-chains-6gvp6c>

Yr6

Choose a topic/topics from your maths question book that you feel you need to practise.

Write the answers in the question book.

Please mark and do corrections.

**English**

Continue with 'The Caravan'

Please make sure your neat copy is completed by the end of the week, so that we can all start a new piece of writing together on the 8<sup>th</sup> March.

Remember to edit and check against your success criteria.

**Spellings:** these will be in your home-learning packs and in Severn class resources. You also have your yr5/6 spellings to secure, which can be found in your reading record. Remember to use your 'ways to learn spelling poster'.

**Reading:** please read for 30 minutes a day as this improves your comprehension and vocabulary. I would also like you to write a book review; I will attach a book review template to help you – you do not have to use it if you would prefer to do your own.

**Comprehension:** in home learning pack – please mark and look at any questions that are incorrect.

**Grammar:** Inverted commas

**Science: Gears, levers and pulleys**

<https://classroom.thenational.academy/lessons/what-impact-do-gears-levers-and-pulleys-have-on-forces-60w3cd>

Please complete worksheet it is in your home-learning book and in Severn Resources or you may do a double page spread in your book with the facts and diagrams from the lesson.

**P.E.** Joe Wicks workout

**French:** What do you like doing?

**RE:** Mrs. Jones  
(information will come through Teams)

**P.S.H.E.**

In this lesson, you will explore the different types of teasing and bullying and learn where and how to get help. Please create an anti-bullying factsheet for a new child starting school.

**World Book Day**  
**Plan a design**

Thanks

Mrs.McKay
