WOW - you are all absolutely brilliant!! Not only did the children manage to walk to the top of the Brown Clee, but they are raised an incredible amount of sponsorship money. The money is still coming in so we are going to keep you in suspense with regard to the final total, which we hope to reveal on Monday afternoon.

THANK YOU—you are incredible.

Promoting a love of reading.....

Carys enjoying reading outside.

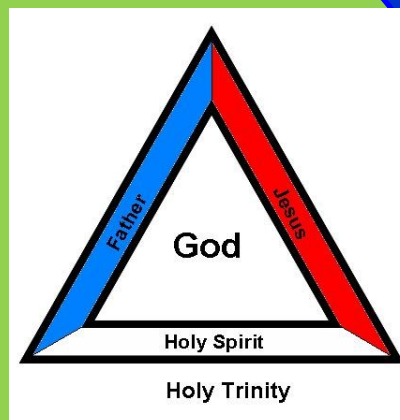

Whether you are reading a sharing book or children are practising their reading with their own phonically decodable reading book, send us a picture of how you are making it enjoyable.

Daily Reflection or Worship:

This week:

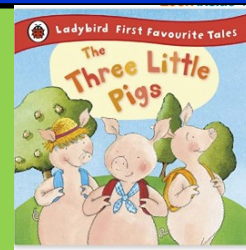

- Reverend Daborn bought to us the Christian celebration of Pentecost and the celebration of the Holy Trinity
- Open the Book bought us the story of 'The boy (Jesus) in the temple' and how important it is that we all have people who love us and we can trust.

Nursery's Talk for Writing: The Three Little Pigs

Nursery Rhyme of the Week: Ten in the Bed

Nursery letter sound of the week: S to make the sound - Show your teeth and let the s hiss out sssss

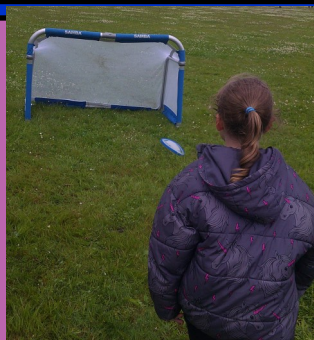

New Topic: Homes

This half term we are going to be learning about homes and our local area; we will learn about where we live followed by the different types of houses around the world. We will also be walking around the local community to learn about what we can see and how we can look after it too. Please see our curriculum map attached for more information.

Attendance is incredibly important throughout the school year. Maths starts at 9am so even a late arrival means they are missing important learning.

Spare clothes - Please send your child in with spare clothes and underwear. Accidents do happen and we want the children to be comfortable, but we don't have many spare clothes!

PLEASE ENSURE CHILDREN HAVE A JUMPER AND COAT IN SCHOOL EVERYDAY - The good old British weather is very changeable at the moment!

Year 4

The Multiplication Tables Check for year 4 pupils is coming up this month. To help your child prepare for this, it would be useful if they logged onto Time Table Rock Stars and Purple Mash to practise their times tables. Purple Mash has a simulator for the test in their maths area (a picture of the logo is here). Practising little and often is essential to learn these facts. Just 10 minutes 4 times a week can make the difference.
