This trip is a fantastic opportunity which those children who have taken part previously have thoroughly enjoy.

Although it seems a long way off, to enable us to secure accommodation we need to pay a deposit by the 6th March 2025 to the YHA at Cheshunt.

We would be grateful if parents would pay the deposit requested via Arbor please.

IMPORTANT INFORMATION REGARDING NURSERY FUNDING

FREE Childcare explained						
	9-23 Months old		2 Years old		3-4 Years old	
Working families	15 Hours Sept 2024	30 Hours Sept 2025	15 Hours Apr 2024	30 Hours Sept 2025	30 Hours Now	
Families receiving additional government support	N/A		15 Hours Now		N/A	
All parents	N/A		N/A		15 Hours Now	

It is really important to complete funding forms well ahead of deadlines. If deadlines are not met then funding will not be available and sessions will need to be paid for.

For many years the local authority have manually overridden late eligibility codes to enable providers to continue claiming expanded / extended hours funding for families who have missed the deadline for applying / renewing their code in time for a particular term.

The number of late codes that they have been asked to override has increased every term.

Following recent consultation with the DfE, this isn't something that the local authority are allowed to do. From the start of the Summer Term 2025 they will not be in a position to override late codes.

Therefore please ensure you keep an eye on your code expiry date and renew on time. The earliest you will be able to renew is 4 weeks before the end date of your code.

Celebrating Reading

Reading

Reading with children is one of the most powerful gift parents can give. The development of language, creativity and cultural understanding from reading, discussing and sharing is HUGE so if you are giving this gift thank you for helping to keep this powerful, essential activity 'alive'. Reading is also very powerful as it reduces stress (for the child and the adult!).

Corve: 100%

Severn: Yr5=88% - Yr6=100%

Our Worship / Reflections this week:

Friendship is...

Finding things to do together

Relying on each other

Impossible on your own

Enjoying being together

Never selfish

Depending on someone else

Sharing hopes and dreams

Happiness and laughter

Including others

Precious

Monday: We launched our friendship theme with a new song and discussion of what friendship means through an acrostic poem and consideration of a friendship bracelet (threads woven together to make the threads stronger).

Tuesday: We launched our new PSHE unit - Healthy Me by revisiting what makes us healthy (drinking water, eating a balanced diet, being active, sleeping well, keeping clean and getting out and about with our friends and family). Children focussed on taking responsibility for our choices to keep ourselves healthy.

Say this:	Do this:
Eating	Act eating
And	Make + sign with hands
Drinking	Act drinking
A Balanced Diet	Act like you are balancing on something small or narrow
And	Make + sign with hands
Being Active	Run really fast on the spot
And	Make + sign with hands
Sleeping well	Act like you are asleep peacefully
And	Make + sign with hands
Keeping Clean	Act like you are washing your hands
Equals	Make = sign with flat hands
Being Healthy	Jump in the air!

Wednesday: Open the book bought us the story 'Calling Disciples' (fishermen and lots of fish!) where Jesus started to gather his disciples (followers and friends). Children reflected on the courage to make a change in their lives and how we must let people change and, if necessary, forgive.

Thursday: Children thought about St. David's Day (patron saint of Wales, Welsh national emblems) and had a reminder of the four countries of the United Kingdom who all have patron saints and emblems.

Careers Day

Today children came into school dressed as a job to help broaden children's understanding of the range of jobs/occupations/careers there are. As you will see from the photographs below there was a huge variety on show including:

vet / nurse / rally driver / artist / marketing consultant / baker / lawyer / film director / dog sitter / tennis coach / paleontologist / jockey / football / netball / rugby / sports designer / author / hairdresser / teacher / fireman / policeman / mechanic / tree surgeon / farmer / agricultural engineer / painter / pilot / soldier and many more.....

Maths

In maths this week, we have been:

Year one – Mastering Number

- Continuing work on how even numbers are made up of two odd or two even numbers.

Year two – Mastering number

- Continuing our in depth look at bridging ten when subtracting.

Addition, triangles and quadrilaterals

Year 1

Adding two one digit numbers bridging ten eg $8 + 5 =$. Knowing 8 needs 2 to make 10. 5 is split into 2 and 3, 10 plus 3 is equal to 13.

Year 2

Using our bridging to add a two digit and one digit number, eg $48 + 5 =$
Knowing 38 needs 2 to make 40. 5 is split into 2 and 3, 40 plus 3 is equal to 43.

Rea Class Trip to Thinktank, Birmingham

Tag Rugby Festival

On Thursday some of the children in Severn Class attended a tag rugby festival at Lacon Childe School.

Mr Wood commented that the team showed great defence, had a great defensive line with 'V' formation and demonstrated great offloading and support.

'The Parable Keeper' Musical

Mr Mark Greaves from Cleobury Community Hub has very kindly organised a performance by the 4Front Theatre Company at St. Mary's Church, Cleobury Mortimer on Monday 10th March 2025.

Children from Corve and Severn Class will be attending the performance of 'The Parable Keeper'.

The 4Front Theatre Company are a Christian based professional theatre company that bring stories from the bible to life through acting, song and audience participation.

The Parable Keeper

The Parabularium is home to all sorts of antiques, curiosities and oddities, and that's just the staff! Yet for the shop's enigmatic owner: the Parable Keeper, there is no greater treasure than a well-told story.

This 1 hour musical extravaganza explores many of the parables of Jesus, bringing them to life like never before through energetic songs, interactive storytelling and lots of laughs. Suitable for all ages!

The cost of the performance and hire of St Mary's Church will be completely covered by Cleobury Community Hub, for which we are extremely grateful.

We would also like to extend our thanks to FoSPS for covering the cost of the transport for this trip.

Get Well Soon

As some of you maybe aware, Otilie was unfortunately involved in a car accident recently.

Thankfully she is making a good recovery - her class have been busy this week making some bunting, with their own messages to let her know they are all thinking of her. We would all like to wish Otilie well and look forward to her coming back to school as and when she is well enough to do so.

Growing Acts of Kindness

Children will be selected each week (up to one per year group) for acts of kindness.

Growing Acts Of Kindness

This is our kindness tree.

It is our symbol to celebrate acts of kindness in our school.
Each week adults will nominate people across the school for acts of kindness.

These acts can be anything from picking up a coat to inviting someone to play your game.

Nominated people will be announced in achievers.

Nominated people will pop their name on a leaf and attach it to our kindness tree.

Help us grow kindness 😊

Help our school be full of kind acts 😊

Thank you to our Chair of Governors for donating our tree.
