SUMMER FETE

Can you help us?

WE NEED DONATIONS OF FILLED JARS—SWEETS,
TREATS, OR TREASURES!
AND BOTTLES – ANYTHING FROM
SHAMPOO TO CHAMPAGNE !!!

THANKYOU!!!

Please drop at the school office by Monday 30th June

Items required for activity at Fete

Mr Middleton needs

> tin cans - they need to be the cans with a ring-pull lid as the edges aren't as sharp as those which have been opened by a tin-opener (don't need the lid). Any size will be fine - needs loads of them for an activity at the Fete!

If you are able to help, please leave cans with the office.

Visit from Jane Trowbridge, High Sheriff of Shropshire

Children enjoyed meeting and finding out about the High Sheriff role (voluntary Royal appointment for a year). Children felt a sense of belonging to know that the 'ears and eyes' of the King wanted to come and visit them and find out about them and their school! Jane also shared with older children plans for a Shropshire Youth initiative next year (16th October) to support disadvantaged children in our county (more info to follow next year!)

Fortnite

Fortnite

Please be aware that children seem to be playing Fortnite again. Whilst some of this seems to be accompanied by an adult please note that the age rating is 12 (due to in game violence) unless they are playing Lego Fortnite (7) or Rocket Racing (3). Please see advice below from the following link: [What do I need to know about Fortnite? A guide for parents and carers | Childnet](#)

- Due to the addictive nature to play again, children may find it hard to self-regulate their screen time (which negatively impacts ability to concentrate and focus) or in game purchasing
- Children may encounter bad or sexual language (especially in Fortnite Festival)
- Children are likely to be playing with others they don't know, shouldn't trust and may be using inappropriate language or unkindness

Safeguarding

Safeguarding

The safety and welfare of our children is at the heart of everything we do. As a result, we are now expanding our use of our reporting system to pupils and members of the

community. On our [safeguarding website page](#) there are now links that parents and children can use if they want to report a concern. This comes straight into our Designated Safeguarding Leads (Mrs Jones, Mrs J Jones and Becky Home) who will action and respond as appropriate. Please continue to remember that we are also happy to have meetings, catch ups, telephone calls etc. – this is just another way of you letting us know.

Annual Ascension Day Sponsored Walk

A massive THANK YOU to all those of you who have helped to raise over £1600 in sponsorship money - which is amazing!!

It all goes to help the children through books, transport costs etc.

We are extremely grateful for your support.

Music Celebration at Lacon - Postponed

As emailed earlier this week, it has been decided to postpone this event until the Autumn Term.

We will notify you of the new date once it has been confirmed.

Celebrating Reading

Reading

Reading with children is one of the most powerful gift parents can give. The development of language, creativity and cultural understanding from reading, discussing and sharing is HUGE so if you are giving this gift thank you for helping to keep this powerful, essential activity 'alive'. Reading is also very powerful as it reduces stress (for the child and the adult!).

Teme: 92%

Rea: Yr 1=100% / Yr2=81%

Corve: 73%

Severn: 97%

We would like to extend our thanks to Mrs Kennett / Mrs George and Mrs Dorrell for giving up their time to come into school to listen to the children reading. The children benefit enormously from this. Thank you.

Our Worship / Reflections this week:

Monday: We reflected on being generous with our time and when we all work together we can achieve a lot.

Tuesday: Children learnt about the history of the summer solstice and how people celebrate the longest period of daylight and shortest night of the year.

Wednesday: Open the book bought us the story of Saul's conversion and we reflected on how we deal with angry feelings. We talked about that working things through, face to face, with our friends is a good thing and actually helps deal with the anger by finding solutions.

Thursday: Children looked at Neurodiversity and celebrated the strengths and talents of people who think and learn differently.

They reflected on the importance of being kind and accepting of everyone.

Making A Difference By Looking After Our Planet

Well done to all the children that have volunteered for our big litter pick so far. Enjoy the pictures below of the most recent children being 'agents of change'.

School Council Nature Photography Competition

Children were so inspired by the World Nature Photography Competition that the School Council want to run their own competition. Winning photographs (judged by school council/supported by staff - all photos will be judged without knowing who took them) will, hopefully, be used to create a calendar that we will sell at Christmas to make money to donate to a wildlife charity that helps look after our world.

Children are invited to submit a photograph for one of the categories below to admin@stottesdon-school.co.uk. We have extended the deadline for submissions to Monday 23rd June. The only rules are:

1. Only one submission per child (please state the category)
2. Please avoid pet photographs (that is another competition!).

Categories:

1. Mammals
2. Amphibians and Reptiles
3. Invertebrates
4. Birds
5. Farming
6. Plants and Funghi
7. Water
8. Landscapes
9. Sky
10. Flowers
11. Black and White

12. Patterns/Art in Nature

Happy Photography!

Forthcoming Trips / Activities

As well as the usual Lacon Festivals, during the Summer term we have several trips / activities taking place.

Please find below an overview of what is planned, so far

Adventure Days

On the 7th July Corve Class and on 8th July Severn Class (**PLEASE NOTE THE DAYS HAVE SWAPPED**) will be attending a fun packed 'adventure day' at Shropshire Adventures - they will be taking part in laser tag / orienteering / climbing or archery and watersports.

These always prove to be very enjoyable days for the children. We will be asking for a voluntary contribution of £27 per child (£13.50 for those children who are eligible for benefit related free school meals), to enable the children to participate. This amount has been significantly subsidised by the school's sport provision funding.

Bikeability

On Wednesday 9th / Thursday 10th July **Year 6** children will be participating in the free 'Bikeability' training provided through Shropshire Council. Please ensure consent forms are completed and returned to enable your child to take part.

Severn Valley Railway

On Wednesday 16th July Rea Class will be transported to Kidderminster Station to catch the Severn Valley Railway steam train to Highley, where they have the opportunity to explore The Engine House. They will then do the return journey to Kidderminster station.

We are asking for a voluntary contribution of £19.45 per child (£9.73 for those children eligible for benefit related free school meals) to cover the cost of the journey, entry to the Engine House and transport - once again we are very grateful to FoSPS for covering half of the cost of the transport for this trip.

We would appreciate it if you could make this contribution via Arbor as soon as possible please.

STARTING RECEPTION in SEPTEMBER 2025

The Kindred² School Readiness Survey^[2] in January 2025 reported that 41% of parents hadn't heard about the term 'School Readiness' before their child joined reception.

School Readiness: Key skills to practice with your child before starting reception. Practising these skills will make your child's journey to reception as positive as possible. For a full list of these skills please visit www.startingreception.co.uk^[3].

Each week, I will highlight in the school news and ClassDojo some of these skills and provide activity ideas and information to support parents with practising these skills at home. Please speak to your child's key person for further information if required.

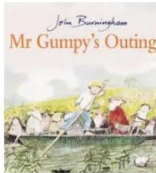

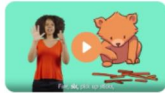

WEEK 7: Healthy routines

- Going to bed around the same time each night, waking up in time to get ready for school
- Limiting screen time to the recommended daily amounts (see advice)
- Eating a healthy diet and trying new foods
- Brushing their teeth with fluoride toothpaste twice a day (you'll need to supervise this until they are at least 7)

What is Shropshire Family Information Service:

The Shropshire Family Information Service (FIS) is a brilliant universal service. The FIS brings together loads of useful, local information for families, to help take the stress out of things like finding:

- Childcare or baby and toddler groups
- Holiday clubs, events and things to do as a family
- Parenting, relationships, and emotional health and wellbeing support
- Cost of Living info and advice

FIS use our social media channels to bring families news, events and handy information, which links through to our [Family Information Directory](#). Families are welcome to contact us directly for help with anything to do with family life. We have created a brand new short video to explain who we are and what we do. You can view it here on YouTube https://youtu.be/7t1jBqJJI8?si=LeOiNag8_LeSPzX0

What we would love you to do:

1. Follow us on social media. We use social media as a key tool for reaching parents and professionals, so give us a follow and we will follow you back.

An online course to help parents communicate better with each other

Arguing better

Disagreements are a normal part of life, and most couples argue from time to time. How you deal with disagreements can make a big difference to you, your partner, and your children.

This free online course can help you learn to manage difficult conversations, avoid conflict, and improve things for your whole family.

Create your free account at www.oneplusone.org.uk/parents or scan the QR code
To access the course, you will need a good internet connection and a smartphone, tablet, or computer.

oneplusone 1 / 3

An online course for separating parents to help manage conflict and minimise the impact on children

Getting it right for children

When separated parents argue, it's common for children to feel like they are caught in the middle. This free online course is designed to help separated parents communicate better with each other and parent co-operatively after parting.

You will learn positive communication skills like staying calm, seeing things differently, and speaking for yourself so that you can sort out disagreements with your child's other parent and find solutions together. You can do the course on your own, at your own pace.

Create your free account at www.oneplusone.org.uk/parents or scan the QR code

To access the course, you will need a good internet connection and a smartphone, tablet, or computer.

An online course for new and expectant parents

Me, You and Baby too

Tiredness and stress are common when you're caring for a baby. If parenthood is leading to more arguments between you and your partner, this free online course could help.

With tips and advice on how to talk about difficult topics, share stress, and prevent arguments, this short course will help you and your partner navigate challenging times together.

Create your free account at www.oneplusone.org.uk/parents or scan the QR code

To access the course, you will need a good internet connection and a smartphone, tablet, or computer.

Health Visiting Information

Every family with children under 5 has access to a health visitor.

Families can access advice and support up until the age of 5 years old by calling **The Single Point of Access on 0333 358 3654**.

If parents don't want to talk to someone, they can send a text and one of the team will get back to them on **07520 635212**

This is a Monday to Friday service 09:30am until 4pm where a Health Visitor is on the line to offer the appropriate advice and support and referrals can be made to the appropriate practitioner.

If parents need extra support or support for potty training, behaviour, sleep, eating we have two Healthy Child practitioner who they can be referred to who will come out to their home or to a clinic to support the family with these issues.

This referral can be completed through the single point of access and sent to the appropriate team.

If it is specialised targeted work the family will be seen by a Health visitor for example low mood or complex development issues, safeguarding or specialised referrals.

All children are seen universally at one years and at two years and they are offered a full health growth and development review via a letter with an appointment.

These are now completed at Cleobury Mortimer Health Centre, Ludlow or Bridgnorth depending on where they live.
