Welcome Back

It has been lovely to have the 'school family' back together and welcome new pupils in Reception and other year groups. We thank parents for preparing them so well and respecting uniform requests so the children feel equal and pressures are reduced. Children have worked really well with staff and their friends to get into routines so everyone can be happy and learning - this will continue to build over the coming weeks until it is embedded. **All children are achievers this week as everyone has worked together and ensured we are setting the routines for being happy and learning.**

If parents are able to attend Welcome Meetings (below) it is a really useful time to meet and share key information.

We have now had the final report from Ofsted and we are pleased to share that we are a good school with outstanding personal development. We are really pleased with the report and the acknowledgement of the many positive aspects of our work:

- '....happy...kind....caring'
- 'ambitious'
- '....enable them to be successful'
- '...behave well....play kindly'
- 'range of exciting opportunities'
- 'Children enjoy learning...'
- Strong reading provision
- Strong starts in the early years
- Strong curriculum offer
- 'provision for pupils' wider development is exceptional'
- 'The school is receptive to new ways of thinking and embraces change and challenge to improve their school.'

We have two clear areas of development:

1. Ensuring all pupils can write fluently (support with handwriting, spelling and grammar).
2. Consistently addressing gaps and misconceptions pupils' may have.

We have already begun working on these areas within our PD training and will share actions and updates with parents so you know what we are doing to ensure our school continues to improve and be the best it can be.

Class Welcome Meetings

Staff would like to invite with you to welcome meetings on the dates below. This is an opportunity for parents to be in classrooms, meet staff and the school share key information for the year so please take note of dates and times. Those that are unable to attend will be sent the information.

Reception Class (Teme): Thursday 11th September @ 4.30pm

Rea Class: Wednesday 10th September @ 3.30pm

Corve Class: Monday 15th September @ 3.30pm

Severn Class: Tuesday 16th September @ 3.30pm

Great Athletes

We're excited to be welcoming a top GB athlete to the school on Thursday 25th September with Great Athletes!

All pupils will take part in a **sponsored fitness circuit** led by the athlete, and come home with some important and inspiring lessons learned during a **motivational assembly** and **Q&A** session.

The event will both connect the pupils to an extraordinary athlete role model and **raise money for new sports equipment** to improve physical activity in the school, as well as supporting both athletes and para-athletes, so that they can continue to inspire the next generation.

In children's bags is a sponsorship form for your child to use to help raise money for the event. You can sponsor your child by visiting: <https://sportal.greatathletes.org/events/landing>. Alternatively, you can scan the QR code to go directly to the online sponsorship page.

As a thank you, pupils will receive the following thank-you gifts for meeting these milestones:

Raise anything: A5 sheet of motivational stickers

Raise £5 or more: sheet of stickers, plus a blue Great Athletes wristband

Raise £15 or more: all of the above, plus a red wristband with the athlete's signature

Raise £30 or more: all of the above, plus a signed athlete poster

Please ensure that the sponsorship form and money are returned to the school office **1 week** after the event has taken place.

Please also make sure that your children come to school on the event day with their PE Kits!

Thank you in anticipation of creating a terrific and memorable event.

Secondary Transfer 2026

The online application facility for parents of year 6 students who are eligible to transfer to secondary school in September 2026 is now open as detailed in the letter sent out to parents of year 6 children earlier this week.

Below is the message from The School Admissions Team:

This is the link - [Apply to start or transfer school | Shropshire Council](#) which takes you to the Shropshire Council Admissions website. Details about secondary school open evenings can be found in the Parents' Guide to Education in Shropshire booklet, on the same website.

Closing date for applications is 31st October 2025.

Applications received by Shropshire Council after the closing date will be classed as late, which may result in your child being disadvantaged, so please ensure you make your

application on-time. Late applications will not be processed until all on-time applications have been offered.

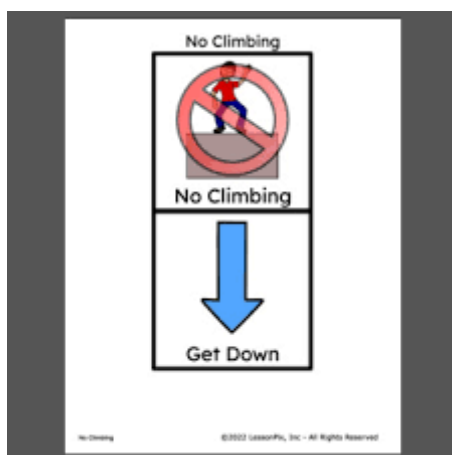

Please note your child's cohort is larger than in previous years. You can name up to four schools on your application - we encourage parents to make full use of these preferences. If only one preference is named, and we cannot offer this, we will have no choice on National Offer Day but to offer a place at the next nearest school with a vacancy, which could be a considerable distance from your home address.

Kind Regards

The School Admissions Team

Only those children who reside in Shropshire should apply via the Shropshire Council website. If any non-Shropshire resident applies via the Shropshire Council website, it will be discarded. Failure to apply to the correct Local Authority may cause an application to be late.

Climbing on Playground Boxes

Can we ask parents, especially at collection time, to ensure that their children do not climb or sit on the PE/playground containers in the playground please.

The reasons for this are:

- a. We are concerned for the safety of the children. The middle playground box is against the roadside wall and if a child were to lose their balance they could topple over the wall into the road. This is a rule in school and it is confusing to children if this is not maintained at all times.
- b. The boxes are quite expensive (£300-400 each) and children sitting on them increases chances of damage/warping - this has begun to happen to the box by the shed.

Burwarton Show Horticultural Poster Competition

Well done to the Nursery (co-ordinated by Lydia Keen) who took part in the Horticultural Show competition at Burwarton.

They won second and fourth place!

Both posters were displayed on Show day, as you can see they looked amazing.

School Meals - Price Increase

From September 2025, due to rising costs, the Trust has taken the decision to raise the cost of a school meal to £2.80 for early years pupils (Nursery) and £3.00 for children in KS2 (Corve and Severn Class).

Those children in Reception / Year 1 and Year 2 are all entitled to Universal Free School Meals.

Celebrating Reading

Reading with children is one of the most powerful gift parents can give. The development of language, creativity and cultural understanding from reading, discussing and sharing is HUGE so if you are giving this gift thank you for helping to keep this powerful, essential activity 'alive'. Reading is also very powerful as it reduces stress (for the child and the adult!).

With Heavy Hearts: The Passing of School Governor and Trust Director

Sadly, as many of you are aware, over the summer our Vice Chairman of Governors and Director of the Trust, Mr Chris Tibbits, suddenly passed away.

Chris was a wonderful community advocate, a colleague and friend, he will be greatly missed.

We send our deepest sympathy and love to his family at this difficult time.

Our Worship / Reflections this week:

Wednesday: We welcomed everyone back and reflected on our logo and our Golden Rules

This image by Unknown Author is licensed under CC BY

Thursday: We reflected that being fair doesn't always mean giving everyone the same thing - it means giving everyone what they need to succeed. We care about everyone succeeding in our school and that means that sometimes we need something more or different.

Health Visiting Information

Every family with children under 5 has access to a health visitor.

Families can access advice and support up until the age of 5 years old by calling **The Single Point of Access on 0333 358 3654**.

If parents don't want to talk to someone, they can send a text and one of the team will get back to them on **07520 635212**

This is a Monday to Friday service 09:30am until 4pm where a Health Visitor is on the line to offer the appropriate advice and support and referrals can be made to the appropriate practitioner.

If parents need extra support or support for potty training, behaviour, sleep, eating we have two Healthy Child practitioner who they can be referred to who will come out to their home or to a clinic to support the family with these issues.

This referral can be completed through the single point of access and sent to the appropriate team.

If it is specialised targeted work the family will be seen by a Health visitor for example low mood or complex development issues, safeguarding or specialised referrals.

All children are seen universally at one years and at two years and they are offered a full health growth and development review via a letter with an appointment.

These are now completed at Cleobury Mortimer Health Centre, Ludlow or Bridgnorth depending on where they live.
